Course Content/Syllabus

Who is the course for?

This is the second of a two-year level 5/6 qualification to teach in the post-16 sector. This course is suitable for people who have successfully completed DTLLS year 1 or equivalent.

Students on this course are required to propose a qualified subject specialist who is willing to act as their mentor.

The course will cover the DTLLS syllabus which includes:

- Professionalism, and the range of cross sector and specialist roles and their impact
- Theories & principles of reflective practice
- Identification of own skills & learning needs
- Equality, diversity & inclusion
- Values, beliefs and interpersonal skills
- Curriculum theories & development and course design
- Teaching and learning strategies
- Funding and constraints & initiatives within the sector
- Research methodology & concepts
- Quality assurance, Quality Improvement & professional accountability

Assessment Methods

The course is accredited by Canterbury Christ Church University. It will be assessed through the completion of assignments, reflective essays and observed teaching sessions which are presented in portfolios for marking.

Home Study

Home study is essential in order to achieve – this will include reading, research & writing essays.

Attendance

Regular attendance is required. **All students enrolling on this course must take the accreditation.**
