- Knowing how to keep money safe
- Recognise coins and notes
- Basic addition
- Plan and prepare a trip to the shops
- Pay for items in a shop/café
- Use a vending machine confidently
- Make choices using money

Assessment Methods

Courses are linked to foundation learning units of personal progress. Individual progress records are kept and photographic/video/audio evidence is used.

Courses accredited by ASDAN, OCN and OCR will be externally moderated.

Attendance

Regular attendance is a requirement factor of our entitlement criteria for the allocation of places on courses for adults with learning difficulties and/or disabilities, and will be monitored closely.

Entry Requirements

Please contact Michele Humphreys, LLDD Programme Manager, to arrange an assessment interview.

Tel. 020 8770 6919

Costs

All teaching materials are provided by the College.

Students may wish to bring money for a drink/snack at break-time.

Further Information

For further information or to obtain a copy of our LLDD Courses and Information booklet please contact Michele Humphreys.

Progression/Further Opportunities:

Our programme offers progression routes from pre-entry level to entry level, and within the entry level programme.

The College operates a co-student and volunteer scheme for learners to access appropriate mainstream provision.
