Day:	Mon	Start Date:	28/03/11	Length:	9 wks
		Time:	19:00-21:30		

Course Content/Syllabus

This course will include the following topics:

Intending students will need to have evidence of having attained Reiki Level 1 (at least 3 months prior to commencing Level 2 – not necessarily with same Master)

Reiki Level 2 is designed to:

- Encourage further self-development and awareness
- Introduce the student to the sacred Usui healing symbols to use in their energy work
- Attune the student to channel and use these energy symbols
- Increase skills and knowledge in order to effectively heal others
- Enable the student to send healing distantly
- Expand on working with guides through meditation and practical work
- Raise awareness of the ethical, moral, professional and personal responsibilities that are essential to the Reiki practitioner
- Explore other practices which complement Reiki work, e.g. using colour and pendulums.

After completing the course and all its components, students may consider becoming a practitioner. Insurance is required.
